**48th FOUNDATION DAY-KIOCL**

We step into 48th year of Foundation Day and warm greetings to you and your family on this auspicious occasion. The journey close to five decades had turmoil since beginning but with sheer belief with undaunted support of all the employees, we could overcome in all the endeavours. During FY 2021-2, Company's performance was excellent but due to imposition of export duty of 45% on Iron Oxide Pellet w.e.f. 22.05.2022 by GOI, had a major blow to the production of Iron Oxide Pellets. After removal of export duty on Pellets w.e.f. 19.11.2022, physical performance of the Company has been encouraging and continues to maintain the momentum. In spite of the constraints, during FY 22-23, we could produce 15,10,000 MT of Pellets & Sales of 14,60,000 MT. We could obtain clearance from MoEF & CC. in the month of December'22. Mining Lease deed was executed in the month of Jan'23 with the Govt. of Karnataka for Iron Ore and Manganese in Devadari Range and was subsequently registered on 18.01.2023. The Company is aiming to commence the mine operations at the earliest. We are installing non-recovery coke oven plant at Blast Furnace Unit under 'Atma Nirbhar Bharat' with indigenous technology supplier. Captive coke production will aid the Company for input cost control of BF operations. We are exploring various alternatives to develop verticals for production of value-added products viz. Forward Integration of BFU. The new vertical of Mineral Exploration (ME) is performing as per the targets set by the National Mineral Exploration Trust hopes to execute more ME Projects across the country.
